

Evaluation form for youngRSE price – deRSE26

Speaker, Talk, ID, Room, Time:

- We evaluate in the following categories: content, discussion, presentation, technical media use
- We hand out a single yRSE price of 512€. If a tie happens, we can hand out a second first price
- The normal range of evaluation is: (+1, above expectation), (0, within expectations), (-1, below expectations). If you see something exceptionally good, You may also give a +2, but please use it **VERY sparingly**. Evaluate **relative to scientific maturity** and **value independence**.
- We strive for three reviews per contestant.
- Empty boxes will be treated as a „0“.
- Please make sure to have all your forms with **Florian Goth on 04.03.26 5pm**.

Content:

- How well does the contribution match the title?
- Does the contribution **follow a red thread**?
- Relevance and suitability for the RSE audience.
- General style
- Are acknowledgment/references given?

Discussion:

- (In case of no questions, feel encouraged to ask ones yourself)
- How confident and **independent** does the speaker answer questions?
- Can the speaker answer questions on his/her own?
- Are the answers concise and focused?
- Backup material for discussion.

Presentation:

- Is the presentation **understandable**?
- Does the speaker use suitable language (for the audience)?
- How is the rhetorical quality of the talk?
- Is the speaker able to grab the audience's attention?
- Overall Impression of the contribution.
- Does the speaker keep well within the allotted time and leave time for discussion?

Technical Media Use:

- **Suitable media chosen** to support presentation?
- Is the design and layout of the poster/slides well chosen?
- Effective Usage of images, videos, ... ?
- **Citation and attribution of others work.**
- Use of media actually prepared and tested.
